Schools with all our programs*
- Destiny Shaper Primary School
- Glory Primary School
- Mpopongi Primary School

1. Water, Sanitation, and Hygiene (WASH)
   Ensure all students have access to clean water, soap, and feminine pads
   - Started our first dental clinic and saw over 270 patients
   - 250 students with reusable pads
   - Less than 10 cases of malaria, typhoid, and dysentery
   - Our teachers scored an average of 84.7% on our sexual education courses
   - We saw an increase of 43% in enrollment from 2017 to 2018

2. Revenue Generating Programs (small businesses)
   Helps schools generate their own income so that they become fully self-sufficient and sustainable.
   - 470 cows and sheep purchased
   - Our schools generated
     - $33,610.00 total profit
     - 10% of money saved

Destiny Shaper Primary School
As an example school
Destiny Shaper Primary School reinvested part of their income to expand their program to include bees. We project this will generate another $3,000/year. Thus, Destiny is expected to generate over $7,000 in 2019.

- Completely closed school deficit
- Generated more money in 2018 by almost $3,000
- Kale and spinach were added to the meal plan
- 22 desks, 4 new tables, repaired 5 tables, 5 benches, and were able to repair 3 school floors
- Teacher training

*Small businesses, WASH, and scholarship programs
