The mission of the Pine Burr Area Council is to prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and law.

The Pine Burr Area Council is responsible for ensuring the success of Scouting in 17 South Mississippi counties.

Scouting Has a Positive Impact on the Youth of South Mississippi. The Council ended 2019 with over 4600 youth registered in Cub Scouting, Boy Scouting, Venturing, Exploring and STEM Scouts programs which is a 3% increase over 2018. The council is leading the country in percent of membership growth over the last 4 years with over 66% increase since 2015.

Diversity in Scouting is Important. 31% of the Council’s membership is made up of minority youth and adult volunteer leaders. We are continuing to expand our Scoutreach efforts and hired a program aid to reach more at-risk youth.

Scouting is Neighborhood Centered. The council ended 2019 with over 160 different Cub Scout Packs, Boy Scout Troops, Explorer Posts, Venture Crews and STEM Labs who are chartered to community organizations and civic clubs. These are neighborhood centered programs.

Continued Transformation of Council Camp. The Council owns and operates a year-round camp for Council and District activities as well as weekend camping for individual packs, troops and crews: Camp Tiak is in Wiggins, Mississippi on over 1100 acres equipped with Shooting Sports, Aquatics and Climbing facilities and much more. Since 2016 over $400,000 dollars of capital improvements were made to Camp Tiak facilities with no debt to Council.

Eagle Scouts. Currently 55 Boy Scouts achieved the prestigious Eagle Scout Award in 2019.

Adult Volunteer Mentors. Over 1000 registered adult volunteers serve as positive role models for our youth members.

Council Income. For 2019, we received 48% of our income from our Friends of Scouting Campaign, Special Events and other direct support, 8% from our 3 United Way Partners, 10% from Program Fees, 31% from our Council Popcorn and Camp Card Sales and 3% comes from miscellaneous sources of revenue.
