

TCS NDT offers a full range of high quality NDT courses, all of which are fully accredited to BINDT certification schemes.

Semester 2 - 2018		
2 Jul 2018 – 6 Jul 2018	Liquid Penetrant Inspection – 40 hours	Level II
9 Jul 2018 – 13 Jul 2018	Magnetic Particle Inspection – 40 hours	Level II
16 Jul 2018 – 20 Jul 2018	Liquid Penetrant Inspection – 40 hours	Level II
23 Jul 2018 – 27 Jul 2018	Magnetic Particle Inspection – 40 hours	Level II
23 Jul 2018 – 10 Aug 2018	Ultrasonic Thickness 40 hours and/or Welds 80 hours*	Level II
30 Jul 2018 – 3 Aug 2018	Liquid Penetrant Inspection – 40 hours	Level II
6 Aug 2018 – 10 Aug 2018	Magnetic Particle Inspection – 40 hours	Level II
13 Aug 2018 – 24 Aug 2018	Eddy Current Inspection (welds) – 80 hours	Level II
13 Aug 2018 – 17 Aug 2018	Liquid Penetrant Inspection – 40 hours	Level II
20 Aug 2018 – 24 Aug 2018	Magnetic Particle Inspection – 40 hours	Level II
27 Aug 2018 – 14 Sep 2018	Ultrasonic Critical Sizing*** – 20 hours	Level II
27 Aug 2018 – 14 Sep 2018	Ultrasonic Thickness 40 hours and/or Welds 80 hours*	Level II
27 Aug 2018 – 31 Aug 2018	Liquid Penetrant Inspection – 40 hours	Level II
3 Sep 2018 – 7 Sep 2018	Magnetic Particle Inspection – 40 hours	Level II
10 Sep 2018 – 14 Sep 2018	Liquid Penetrant Inspection – 40 hours	Level II
17 Sep 2018 – 28 Sep 2018	Phased Array Inspection (welds) – 100 hours	Level II
17 Sep 2018 – 21 Sep 2018	Magnetic Particle Inspection – 40 hours	Level II
24 Sep 2018 – 28 Sep 2018	Liquid Penetrant Inspection – 40 hours	Level II
1 Oct 2018 – 19 Oct 2018	Ultrasonic Thickness 40 hours and/or Welds 80 hours*	Level II
1 Oct 2018 – 5 Oct 2018	Magnetic Particle Inspection – 40 hours	Level II
8 Oct 2018 – 12 Oct 2018	Liquid Penetrant Inspection – 40 hours	Level II
15 Oct 2018 – 19 Oct 2018	Magnetic Particle Inspection – 40 hours	Level II
22 Oct 2018 – 26 Oct 2018	Liquid Penetrant Inspection – 40 hours	Level II

22 Oct 2018 – 2 Nov 2018	Eddy Current Inspection (welds) – 80 hours	Level II
29 Oct 2018 – 2 Nov 2018	Magnetic Particle Inspection – 40 hours	Level II
5 Nov 2018 – 9 Nov 2018	Liquid Penetrant Inspection – 40 hours	Level II
5 Nov 2018 – 23 Nov 2018	Ultrasonic Thickness 40 hours and/or Welds 80 hours*	Level II
12 Nov 2018 – 16 Nov 2018	Magnetic Particle Inspection – 40 hours	Level II
19 Nov 2018 – 23 Nov 2018	Liquid Penetrant Inspection – 40 hours	Level II
26 Nov 2018 – 30 Nov 2018	Magnetic Particle Inspection – 40 hours	Level II
26 Nov 2018 – 7 Dec 2018	Phased Array Inspection (welds) – 100 hours	Level II
3 Dec 2018 – 7 Dec 2018	Liquid Penetrant Inspection – 40 hours	Level II
10 Dec 2018 – 14 Dec 2018	Magnetic Particle Inspection – 40 hours	Level II
10 Dec 2018 – 21 Dec 2018	Eddy Current Inspection (welds) – 80 hours	Level II
17 Dec 2018 – 21 Dec 2018	Liquid Penetrant Inspection – 40 hours	Level II

- These courses will run with candidate numbers between 1-6, there will be no cancellations of courses due to low numbers- with the exception of TOFD – there is a minimum number of students required for the TOFD course.
 - Radiography practical examinations are conducted off site – ask TCS admin for details
 - in house company courses ran at request.
 - **** Radiography candidates must hold Radiation Safety License
 - Please check schedule regularly – Radiography courses to be added to schedule in 2018
 - *** UT Critical Sizing 3day course – scheduled by negotiation within UT course dates
 - ** To sit UT PA/TOFD – must hold UT Thickness & Welds L2
- *Ultrasonic Thickness and Welds, can be completed in one 3-week course, OR Thickness can be completed as a 1 week independent course. To sit UT Welds candidate must hold UT Thickness or level 1
 - **Speak to the administration office to see how we can fit in your dates.**
