### Q: Can I get a refund when my student is sick/on vacation?

We understand that kids will get sick at times; and sometimes vacations will be scheduled at times- not during school breaks. The class rate structure at Flight Performing Arts is based on a monthly calculation. We unfortunately, cannot get a discount on our monthly expenses (rent, website, insurance, and more) when kids are sick or on vacation. We wanted to offer our classes at the lowest rates possible, and in doing this, there is no way to offer refunds or credits for illness, etc.

However, please note our vacation dates listed in this newsletter. You will NOT be charged for classes during the weeks of Thanksgiving, Winter break, or Spring break in March. In addition, sometimes it is possible to make up a missed class in another class (not already registered to your dancer). If your child would like to make up a class, please email or speak to Julie or Kathe and we will try to arrange this in an appropriate class.

Thank you for your understanding and support of Flight! We love teaching your kids and try to give them 100% of our attention-- and share our dedication to the art form of dance— in every class! Miss Kathe and Miss Julie

### Featuring: Delaney Collins Teaching Hip Hop Tuesdays 3:45pm

Dance has been a huge part of my life for as long as I can remember! I had the opportunity to dance with Grace Studios throughout middle and high school, which helped me to become the dancer I am today. This last year I studied dance at University of San Francisco but will be taking this year off to work and travel starting in December. I'm so excited to be teaching my favorite style of dance this fall, hip hop!
