FEDORA

A EUROPEAN INITIATIVE

FEDORA - The European Circle of Philanthropists of Opera and Ballet is a non-profit organisation that was created in Paris, in January 2014, under the presidency of Mr Jérôme-François Zieseniss. Nurturing the renewal of opera and ballet is our mission: as a circle that gathers philanthropists of opera and ballet in Europe, we dedicate our passion and energy to assemble opera and ballet enthusiasts, who share the same vision of excellence.

THE FEDORA PRIZES

We believe in supporting emerging artists of exceptional talent in the field of the performing arts, through the FEDORA Prizes. Thereby we wish to pay tribute to Rolf Liebermann who ignited FEDORA's vision over 20 years ago.

We therefore raise funds for new opera and ballet productions that are created in the form of co-productions between opera houses, festivals and emerging artists. Thanks to the support of major donors and in close collaboration with Opera Europa, the FEDORA Prizes were created to encourage innovation and creativity in the field of opera and ballet.

Organisational members of FEDORA can apply for the FEDORA Prizes.

YOU AND FEDORA

Sharing the same vision as FEDORA, individual members are an important tier of the FEDORA circle. As part of the community, you can set an example of uniting Europe through collaborations and exchanges in the field of the performing arts, while enjoying exclusive access to the opera houses and festivals within our network.
