With a passion for racing, Jim Greenheck, CTech Manufacturing President/Owner, needed a quality storage solution when on the road with his drag car. Jim sought after his own design and built the first CTech cabinet. He took into consideration “MOBILE APPLICATION” when engineering the first CTech products and that still holds true to this day.

CTech was developed to be lighter, stronger, and of a higher quality than what was available. With new innovations to our products over time the base framework for the mobile application has stayed the same allowing CTech to gain the reputation of being the most respected storage solution in the market.

We now offer all aluminum carts, cabinet, drawers and tactical cabinets which cover a number of different industries. Our products have been used in a variety of mobile and stationary applications.

CTECH stays engaged with customers to deliver new and innovative solutions every day. From major race teams to global energy companies, our people, technology, and engineering practices allow us to continue this trend of innovation.

AT THE TRACK, IN THE TRAILER, AT THE SHOP:
CARTS

ALWAYS ON THE JOB
**FEATURES**

- **Heavy Duty Handle**
  - Multiple styles available based on cart.

- **Extruded Aluminum Radius Corners**
  - Radius “snag free” corners set CTech carts apart from our competitors in functionality, construction and aesthetics.

- **Built in “D” Rings**
  - Optional to each cart style, CTech offers multiple styles of tie down rings for transport.

- **Heavy Duty Wheels**
  - Heavy Duty Casters, BadAss Caster, Flat Free or Pneumatic tire options are available to fit any function.

- **MotionLatch™ Drawers**
  - ONE HAND - ONE MOTION opening function lets you grab anywhere on the extruded aluminum handle and effortlessly open our 250lb rated drawers.

*FEATURES WITH (*) CAN BE SEEN IN THE EXPANDED FEATURE DESCRIPTIONS ON THE FOLLOWING PAGES*
Engineered with strong aluminum extrusions.

**INDUSTRY FIRST!**

**MOTIONLATCH™ DRAWERS & DOORS**

- Offers a ONE HAND - ONE MOTION operation even with a handful of tools.
- No pinching, no squeezing, no twisting, just pull the handle and the latches release.
- MotionLatch™ opening function lets you grab anywhere on the extruded aluminum handle and effortlessly open our 250lb rated drawers.
**FEATURES**

RADIUS EXTRUSION CORNERS & MECHANICALLY FASTENED

- Snag Free 2” radius corner eliminates sharp edges for a safe and efficient working area.
- All aluminum extrusion framework gives a durable construction at a fraction of the weight.
- Fastener assembly.
- Designed to flex in mobile applications.
PREMIUM WHEELS for PREMIUM CARTS

- Heavy Duty 4” Rigid Casters with brakes - quality heavy duty casters for quality carts
- Extreme Duty - 10” Bad Ass Casters with brakes - designed for all terrain applications
- Flat Free tires and Billet Aluminum wheels standard with brakes
- Pneumatic tires and Polished wheels - hydraulic disc brakes optional
- Industrial Grade Flat Free tires with steel wheels - Hydraulic disc brakes optional, best performing wheels with heavy loaded carts
The versatile service cart or shop cart is the Heavy Duty solution for any job. Great for temporary storage of tools, parts and supplies during a task. Eliminates the time associated with walking back and forth to your toolbox or bench and features heavy duty casters. All shelves are equipped with heavy duty liner as well as the drawer. The removable inverted top makes for easy clean up. Available in 10 standard powder coat colors, 2 standard configurations, and many customizable add ons to make one all your own.

Fuel Cart: used in many nationally sanctioned race series. The perfect addition to any pit row setup for the best solution in fuel storage and transport.

Worktop Cart with canopy which is plumbed for nitrogen storage and has integrated regulators. Jr Transporter with Race Day Canopy. - Realtime, IMSA Series
“CTech manufactures top of the line carts! Their superior quality and function gives us a competitive edge. They are built to stand up over time and maintain the highest resale value.”

-Bill Riley: VP/Chief Engineer/Team Director of Viper Exchange / Gas Monkey IMSA Team

- JR Transporter Observation Pit Car & Fuel Cart
Digital communication carts designed for side line communication for a National Sporting League. Built on a Mini Cart and Bad Ass Caster Cart chassis.

Mobile workstations built on the Hot Rod chassis. These carts are designed to the customers specifications for storage with electrical pre wired and MotionLatch™ adjustable shelves.
Mobile Gen Set Carts have never been built so well. Designed to be perfectly vented and to meet noise regulations. These Bad Ass Caster carts are the perfect back up power for any industrial job site.

Whether we build 1 or 20, CTECH can offer a storage solution for any need.
Stewart Haas NASCAR Team
- ULTRA Cart, The Premium Observation Pit Cart
**Gas Shock Stays**
- Overhead cabinets use gas shock stays.

**Extruded Aluminum Frame**
- Lightweight aluminum cabinet frame is pound for pound stronger than most steel alloys.

**Body Panels**
- Tough powder coat aluminum double walled doors for strength and rigidity.
- .090” extrusions
- .080” body panels
- .080” drawer body

**MotionLatch™ Drawers**
- One hand - one motion opening function lets you grab anywhere on the extruded aluminum handle and effortlessly open our 250lb rated drawers.

**GasketLoc Counter-top**
- Spill proof counter-top. Easily replaced counter and reusable guard gasket.

**Adjust-A-Loc**
- Internal adjustable cabinet shelving in 2” increments and locking shelf clips.

**5052 Aluminum Body Panels**

**Features** with (*) can be seen in the expanded feature descriptions on the following pages.
Engineered with strong aluminum extrusions

MOTIONLATCH™ DRAWERS & DOORS

- Offers a ONE HAND - ONE MOTION operation even with a handful of tools
- No pinching, no squeezing, no twisting, just pull the handle and the latches release
- MotionLatch™ opening function lets you grab anywhere on the extruded aluminum handle and effortlessly open our 250lb rated drawers
GasketLoc Counter Top System

**GASKETLOC COUNTER TOP**

- Designed to allow the counter-top to expand and contract to prevent warping
- Injection-molded corners - no sharp edges
- 2\(\frac{1}{4}\)" High back and side splashes
- Screws or caulk NOT required
- Replaceable counter-top
- Keep fluids from leaking into your cabinet
- Available in 2 surfaces:
  1. Grey Laminate (standard)
  2. Stainless Steel

Gasket in countertop prevents fluids from leaking into cabinet

Injection molded corner fittings
ADUSTA-A-LOC SHELVING

• Precision formed and hemmed from a single sheet of .080" aluminum

• Exclusively designed shelf clips and wall slots are engineered to stay tight

• The Adjust-A-Loc™ shelving becomes an integral component of the cabinet

• Shelving comes standard in mill finish- upgrades include padded non-skid liners and/or powder coat finish
CTech is known for premium aluminum cabinets designed for trailers, shops, and garages. The features and benefits associated with CTech cabinets are what set our quality apart: MotionLatch™ drawers and doors, extruded aluminum framework, lightweight construction, Gasketloc counter tops, dual walled doors, etc. Our Econo Series cabinets have all those features at an entry level cost. These packages are perfect for any garage or trailer. Available in a pre-finished white aluminum versus our traditional powder coat finish is where you save.

ANY STANDARD PRODUCT CAN BE CUSTOMIZED TO YOUR SPECIFIC NEEDS, CHECK OUT OUR DEALER MAP FOR YOUR LOCAL DEALER TODAY OR CONTACT US DIRECT.

**TOP STYLES:**

- **None** - With no top option you can extend the drawer unit to the top of a compartment if the clear opening allows for it.

- **Flat** - Turns the top of any Tool Drawer Unit into a great work surface and gives a quality finished appearance when powder coated in the same color as the drawer faces. Height: 0.125”

- **Fixed Tray** - Add another area of storage with the fixed top. Its design allows for a shallow tray that keeps items from rolling off the top. Powder Coat finish the same color as the drawer faces. Height: 1.313”

- **Adjustable Tray** - Maintain the same storage benefits of the fixed tray and still have the adjust-ability to mount the adjustable wings to secure the tool drawer unit. Powder Coat finish the same color as the drawer faces. Height: 1.313”
**Liner** - Heavy duty reinforced industrial liner

**Parts Tray** - Trim to fit. Leak proof. Easy to clean. 3" & 4" drawers

**DIV 2** -
1 fixed (front to back) divider, 4 adjustable (side to side) dividers

**DIV 3** -
2 fixed (front to back) divider, 6 adjustable (side to side) dividers

**Front to Back** -
4 adjustable dividers

**DIV 4** -
3 fixed (front to back) divider, 8 adjustable (side to side) dividers

**DIV 5** -
4 fixed (front to back) divider, 10 adjustable (side to side) dividers

**DIV 6** -
6 fixed (front to back) divider, 12 adjustable (side to side) dividers
**Configure a Custom Drawer:**

Build a unit that fits your needs perfectly. Contact your local Dealer today.

*Dealers - Use CTech Express and build a custom unit for an instant quote.

**Custom Notching:**

Notching - Standard drawer units that require rear notching for a specific manufacturer truck body come with the correct notch size, but when building a custom unit notching measurements are needed.

**Drawer Locks:**

Security of your tools and supplies is important when your livelihood depends on them to perform your job. CTech has drawer lock options available for that added piece of mind.

**Slide Capacity:**

Standard Duty - 250lbs rating. More than enough drawer slide for 95% of the applications.

Extreme Duty - 500lbs rating. Just like the name says, these slide are designed for extreme conditions.
OFFERING
OEM COLOR MATCHED POWDER COAT
PREMIUM
DRAWERS
FOR THE
WORKING
PROFESSIONAL
“CTech maximizes storage of our trucks. Servicing heavy equipment at all ends of the backwoods and every weather condition, my equipment is pushed to the limits. CTech aluminum drawers always perform and they are loaded to the max. CTech provides a great product and is easy to work with.”

Dustin Conley
- PONSSE North America, Field Technician
I’ve worked in some of the toughest, most remote places on earth; from Alaska, to the Yukon and the heights of the Rocky Mountains. I need equipment that can stand up to the rigors of my work environment and the rough demands of my everyday work. My CTech drawers have definitely answered that call. They are by far superior to any other drawers I’ve used in my service trucks. Not only are they stout and durable, my CTech drawers keep my tools organized, even after driving over the rocky terrain of remote worksites. I know I can count on my CTech drawers to stand up to anything I can put them through and continue to roll smoothly and keep my equipment safe and sound. I wouldn’t trust my most valuable assets to any other drawer system.”

-Juan Ibarra, owner/operator Ibarra Industries LLC. from Discovery Channel’s GOLD RUSH
“I’ve worked in some of the toughest, most remote places on earth...”
- Juan Ibarra
**Extruded Aluminum Frame**
- Lightweight aluminum cabinet frame is pound for pound stronger than most steel alloys.

**Inverted Top**
- Designed for optimal storage capabilities, deep enough to secure equipment on top.

**Body Panels**
- Tough powder coat aluminum double walled doors for strength and rigidity.
  - 0.090” extrusions
  - 0.080” body panels
  - 0.080” drawer body

**MotionLatch™ Drawers**
- ONE HAND - ONE MOTION opening function lets you grab anywhere on the extruded aluminum handle and effortlessly open our 250lb rated drawers.

**Gear Guard (option)**
- Gear guard helps secure equipment.

**QuickLink Mounting Plate**
- The key feature to a transferable cabinet and quick installation on the CTech CopBox Cabinet.
**MOTIONLATCH™ DRAWERS & DOORS**

- Offers a ONE HAND - ONE MOTION operation even with a handful of tools
- No pinching, no squeezing, no twisting, just pull the handle and the latches release
- MotionLatch™ opening function lets you grab anywhere on the extruded aluminum handle and effortlessly open our 250lb rated drawers

*CTECH EXCLUSIVE*

**MotionLatch™**

*Drawer & Door System*

*US Patent 6,547,289*

Engineered with strong aluminum extrusions

Dual composite latches stay closed
**QuickLink Mounting System**

- Allows universal mounting between vehicles
- FAST & EASY installation and removal
- Factory mounting locations
- No modifications to vehicle needed
- Switch vehicle manufacturers and just replace the QuickLink plate to fit the new vehicle
COPBOX CABINETS

COPBOX CABINET:
- With increasing utilization of SUVs as Police Pursuit Vehicles; focusing on organization and safety are crucial. CTECH’s lightweight aluminum CopBox Cabinet is designed to ensure safety for the officers while increasing efficiency and value to the fleet.

- SAFETY - SECURITY - EFFICIENCY - VALUE -

CTech Manufacturing Policies and Procedures

Terms - Standard terms for approved accounts are Net 30-days. Non-compliance to the terms may result in a late fee of up to 2% per month.

Cancellation and Change Policy - Orders cancelled more than 24 hours from time of receipt are subject to a cancellation fee of up to 20%. Cancellation or changes must come in writing (not verbal) and be confirmed within 24 hours of the original purchase order being issued to avoid and potential change or cancellation fees.

Return Policy - Custom built products are non-returnable. Standard products are subject to a return fee of up to 20% plus the cost of freight to return the product. Products must have been purchased within the past 12 months. All returned products must be in like new, sale-able condition. Any returned products MUST have a Return Goods Authorization approved before returning. Any returns without a pre-approved RGA will be rejected and returned to sender.

Warranty Policy - CTech Manufacturing offers a limited lifetime warranty* against any manufacturing defects in material or workmanship so long as the original purchaser retains ownership, possession, and control of the product.

* Note - Slides are a purchased product and are warranted for one year from date of original invoice. Slides are passed through to the original manufacturer for inspection and processing.
CTech Manufacturing is a Wisconsin based company dedicated to customer satisfaction, quality products and industry leading innovations.

WE BUILD IT BETTER

CTECH

We’ve taken the guess work out - easier to do business with

With over 20 years of experience, CTech has established itself as the most respected name in manufactured aluminum carts, cabinets and drawers for mobile applications. Our customer relationships help drive our business in new directions and keep CTech the leader of pack.

50% WEIGHT SAVINGS

on average over a steel comparison

CTech has taken the guess work out of doing business with us. It’s easier to do business with us.

WE BUILD IT BETTER

CTECH

We’ve taken the guess work out - easier to do business with

QUOTING

Standard product requests will be quoted in 1 working business days time.

*Custom quoting will require extra time dependent on multiple factors.

DRAWER UNIT LEAD TIME

Standard product of 10 units or less will ship in 10 days of the order confirmation.

*Custom projects or larger quantity orders are a case by case and lead times will be communicated before the order is placed.

PRODUCT LEAD TIME

From the time your order with CTECH to the day it ships is 30 days or less.

*Custom projects may take more time due to engineering time.
