

Revanche

Revanche Collection

This collection of handmade carpets was inspired by a triumphant vision of Nature, sometimes fragile, always magnificent.

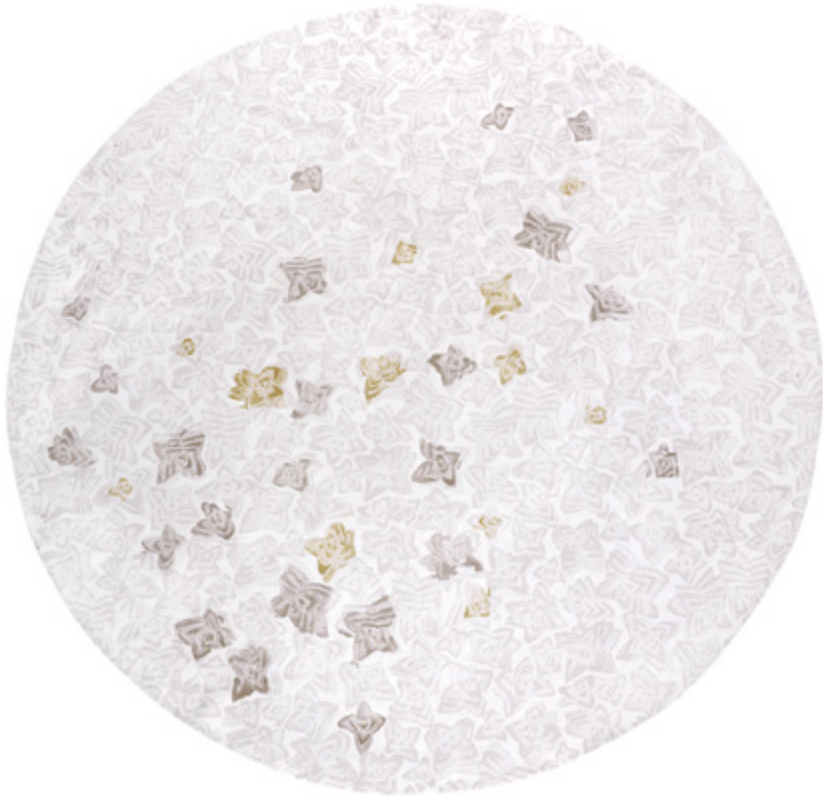

The influence of botanicals, fossils, and rock formations is apparent in this diverse collection, which ranges from bold abstract patterns to subtle representational motifs. A celebration of the organic characterises every element of Revanche: the designs are hand-tufted in silk, cotton and sisal in a vital palette evocative of natural pigments and rich earth tones.
