COVID-19 Update

Fraunces Tavern® Museum is committed to the health and safety of our visitors, staff, and volunteers. In an effort to support New York City’s public health efforts, **the Museum will close to the public as of March 16 at 5:00pm, through March 30.** Our administrative staff will continue to work hard to fulfill our mission.

The Museum continues to follow Centers for Disease Control (CDC) guidelines and protocols outlined by the City of New York with regard to the cleaning of public spaces and surfaces and instructing staff who are ill to stay home.

Please continue to check our website, frauncestavernmuseum.org, for updated information.

As the Museum will now be closed through March 30th, and to ensure that as many of our members and supporters as possible will ultimately be able to attend, **the following March public programs have been postponed:**

- **All Guided Tours**, including *Women of the Revolutionary War*
- **Thursday, March 19** Evening Lecture: *The Founding Fortunes*
- **Friday, March 27** Tavern Trivia Night: *Colonial Outpost to Concrete Jungle*

We plan to reschedule these programs and look forward to seeing you then. If you have purchased a ticket for an affected event, you will receive further information via email.

Thank you for your support and understanding during this time.
