(Friday - Sunday)

January 19 - 21

February 23 - 25

March 23 - 25

April 27 - 29

9 AM to 5 PM

**in New York City -**

**Presented by Herb Tannenbaum, Ph.D.\***

**Improve your skills in working with couples using Imago—a clinically proven and successful method.**

- Develop a niche working with couples
- Learn about the concept of the Imago and the role it plays in partner selection
- Explore stages of childhood development and wounding and how they affect our primary relationships
- Learn how to help couples move from ineffective communicating to deep dialogue
- Learn how to help couples resolve their ongoing conflicts
- Learn how to help couples restore their connection and heal

**96 CEs  
\$3,000**

**This course  
is recognized  
by Imago  
and APA.**

Imago Clinical Training includes 12 days of clinical instruction—a required step in the Imago certification process.

The training format is a powerful combination of theory, demonstration, and experiential practice and supervision. Learning occurs in a safe, supportive, and encouraging environment. Each session is separated by a month to allow practice and integration of the material.
