

List of Funded Programs – 2016

When you make a contribution to United Way of the Alberta Capital Region, we promise to provide stewardship excellence:

- We take responsibility to ensure that the contributions we receive are invested in the most effective and efficient manner.
- We monitor the performance and measure the results of our community investments.
- We are one of the most cost effective not-for-profit organizations in North America and are accountable to our donors offering transparent financial reporting.
- The following programs we fund support clients in one of three focus areas; **Education, Income & Wellness.**
