Topic: Facing the constant changes life brings

*Group leaders, remember, it's not necessary to ask every question. Feel free to modify this list by taking out questions that don't speak to you or adding your own questions.*

1. What about the unknown, or change, makes you the most anxious or uncomfortable?
2. What kind of changes are the hardest for us to deal with? What changes are hardest in our spiritual lives?
3. What are some of the excuses you use to try and avoid change or the unknown?
4. What were some times in your life when you've embraced the unknown, or change, and ended up being blessed because of it?
5. What are some times when you resisted the idea of change or the unknown and ended up missing out on something special because of it?
