*Group leaders, remember, it's not necessary to ask every question. Feel free to modify this list by taking out questions that don't speak to you or adding your own questions.*

1. Share a time in your life where you managed to accomplish or do something that in the beginning you really didn't think would be possible.
2. Think about the excuses Moses made to the burning bush. Which of those excuses do you use the most?
3. God told Moses he would see the sign after he finished the task. When was a time you stepped out on faith, only to see that God had been with you all along, but you couldn't see it till you were done?
4. What about the calling of Moses speaks loudest to you in your life?
