Romans 12:3-8

Group leaders, remember, it's not necessary to ask every question. Feel free to modify this list by taking out questions that don't speak to you or adding your own questions.

1. What was a time in your life when you needed help with something you knew you could not handle along? Who helped you?
2. Do you think Moses' sense of responsibility sometimes caused him to take too much of the burden of leadership on himself?
3. What are some ways you (we) can better support and help those in leadership (whatever that leadership may be)?
4. If I'm the one leading, how could I better allow for others to help in the task?
