GREAT EXPECTATIONS
GREAT ATTITUDE
GREAT OPPORTUNITIES

prep enrolment

We wish to advise that Prep enrolment forms for 2019 will be available from the school office and school website from **9.00am on Friday 23rd February, 2018.**

Apollo Parkways Primary School has an enrolment cap of 800 students in an endeavour to control the growing number of students electing to come to our school. The introduction of an enrolment cap has, over the years, limited the number of positions available at some grade levels and may see the introduction of a waiting list for some students who do not reside in our local school area (closest state primary school using Google maps) or who do not already have siblings in our school.

Please note the following enrolment restrictions and priorities are in place for Prep enrolments at Apollo Parkways Primary School.

- Prep enrolment numbers will be capped to match the number of Grade 6 students exiting the school.
- Priority placement will be allocated to students with siblings already enrolled at Apollo Parkways Primary School.
- Please note that as stated in the Primary School Privacy Notice, an immunisation certificate and satisfactory evidence of a child's name and date of birth must be provided to the school (e.g. birth certificate, passport).

Please return your enrolment form **AS SOON AS POSSIBLE** to allow for future planning.

School Tours will be available from **9.30 – 10.30am**. They will be capped to 10 adults per tour and booking a place on the tour is essential. Please call the office on 9433 1300.
