

THE SPRINGS is a multi-faceted oasis in the middle of the Downtown LA Arts District. Industrial setting meets green, organic environment. Truly a one-of-a-kind venue.

Scalable private and semi-private venues accommodate 15-500 guests. 2AM curfew. No residential neighbors. Indoor and outdoor performances allowed.

Ample parking is available both on-site and in nearby lots both walkable and accessible to valets. Load-in and load-out are a breeze, with street-accessible roll-up doors on both the front and back of the building.

Full catering services are provided our in-house kitchen led by Executive Chef Jasmine Shimoda. All menus are plant-based, with a reverence for locally-seasonal, organic ingredients. Specialty menus, including fully-vegan menus, are available. Outside caterers are welcome with certain buyouts and approval from management.

Additional offerings include yoga and wellness programming for both corporate and social events.
