

Clothing Donations Needed

Who We Are

The **Care Closet** at the Fellowship Club of the Mental Wellness Center.

What We Do

The Care Closet (a project of the Mental Wellness Center in Santa Barbara County) was created to provide employment opportunities in a clothing store setting for our community's mental health clients as well as make available quality, lightly-worn clothing for free or nearly free for our clients most in need.

Your donations will help to **create jobs** and **provide clothing** to those who are in need.

When you clean out your closet, you can donate items for Spring and Summer weather such as:

Open toe shoes, light clothes, sleeping bags, blankets, towels, socks, sunglasses, hats, personal hygiene items, and undergarments. Larger size items are preferable and they all must be machine washable.

* At this time we are **especially in need** of **MEN's clothing** in sizes **L, XL and beyond**.

Donations can be dropped off at

The Fellowship Club
617 Garden St. Santa Barbara 93101

For more information, please contact Lupe Luna, Program Manager @ 805 884 8440 x 3246
