What is Friends of Robotics?

Farmington Friends of Robotics is a 501(c)3 non-profit organization created to support students who participate in *FIRST* (For Inspiration and Recognition of Science and Technology) Robotics teams in the town of Farmington. Our goal is to unite robotics fans, alumni, and community business partners with the common goal of ensuring that all participants in Farmington's *FIRST* Robotics teams have the best possible resources available to them as they participate in team activities and *FIRST* competitions.

Why should I get involved?

By joining Friends of Robotics, you can make a tangible difference for Farmington's students in Science, Technology, Engineering, and Math (STEM) fields. Through your contributions and involvement, Farmington's robotics students can excel in their educational pursuits. Support from Friends of Robotics is an essential part of this growth and development.

How can I get involved?

- become a member
- attend our monthly meetings
- join a committee
- become a mentor
- volunteer to assist in an activity
- share a creative idea
- attend a competition

Where will my contributions go?

Your contributions will support the activities of Farmington's *FIRST* Robotics teams. Friends of Robotics will assist with the funding for the Farmington High School Robotics team's robot build, and also provide support to the LEGO League teams and LEGO League Jr. teams in town.
