Scholarship Award 2019

Scholarship
The ITE Illinois Section Scholarship is presented annually to encourage students to consider Transportation Engineering or Transportation Planning in their studies and career aspirations and to provide partial financial support to students who have demonstrated an interest and are likely to work in the transportation field. The scholarship will be provided to one undergraduate student and one graduate student in the amount of $2,000 each.

Eligibility
To be eligible for the scholarship, you must be a full-time undergraduate or graduate student in an Illinois college or university with course work and career goal emphasis on transportation engineering or planning.

Selection Criteria
Candidates will be evaluated on the basis of academic performance, education plans, career goals, activities, and record of leadership. Final evaluation will be made on the basis of a complete application, a statement of career objectives and past accomplishments, and at least one professor evaluation form (one of which must be from a transportation or planning faculty member).

Terms & Conditions
The scholarship is good for one academic year and is not renewable. The winner of the ILITE Scholarship Award will be introduced at the ILITE Annual Dinner Banquet, held in late January 2020. The recipient must make arrangements to attend the dinner. The scholarship check will be issued at that time, provided that verification of enrollment in a full-time program conforming to stated educational objectives can be obtained.

How to Apply
To apply for the 2019 ILITE Scholarship Award, complete the attached application form and the items listed as part of the submittal materials. Packages should be emailed to Anmol Shrivastava, P.E., PTOE at illinoisite+studentaffairs@gmail.com (preferred) but applications must be signed by hand.

Additionally, packages may be mailed to:
Anmol Shrivastava
IL ITE Student Affairs Director,
C/o Civiltech Engineering, Inc.
Two Pierce Place, Suite 1400
Itasca, IL 60143.

ALL APPLICATIONS MUST BE RECEIVED BY 11:59 P.M. ON FRIDAY, DECEMBER 6, 2019.

ITE
The purpose of the Institute shall be to enable engineers and other professionals with knowledge and competence in transportation and traffic engineering to contribute individually and collectively toward meeting human needs for mobility and safety, and to promote professional development of members, by the support and encouragement of education, stimulation of research, development of public awareness, exchange of professional information, and maintenance of a central point of reference and action.

Questions
Anmol Shrivastava, P.E., PTOE illinoisite+studentaffairs@gmail.com
I. **Personal Information:**
Provide both a school and home address (if different) where you can be reached in January 2020.
Name:
Campus Mailing Address:
City, State, & Zip Code:
Phone #: E-mail:
Permanent Mailing Address:
City, State, & Zip Code:

II. **Educational Background**
Major: Expected Graduation: (Mo/Yr)
Illinois College/University:
Current Academic Standing: (So., Jr., Sr., Grad Student)
GPA: /

III. **Transportation Related Courses**
Please indicate any transportation engineering or transportation planning courses that you have completed or anticipate taking. Include the final grade for completed courses.

<table>

VIII. Signature
I certify that the information provided on this application is true and correct, and that information can be collected to verify the accuracy of the statements provided in this scholarship submittal prior to the issuing of the award by the Illinois Section ITE Scholarship Committee.

Signature: Printed Name: Date:

Submittal Materials:

1. A typed statement explaining your interest in pursuing a degree in the Transportation Engineering field. Provide a brief statement of what you hope to accomplish through your study of transportation engineering and your career objectives upon its completion. Document how current and past involvement in student and community activities has better prepared you for the challenges you will face in your future career. (REQUIRED)

2. At least one completed professor evaluation form, in separate envelope or, if e-mailed, sent directly from the professor’s e-mail address, filled out by a professor in the field of transportation engineering or transportation planning at your college or university. (REQUIRED)

3. This application form, signed. Note: You may add additional pages if you need more room. (REQUIRED)

4. A typed statement describing any unique involvements you have had with transportation-related projects or issues. Describe creative and innovative ways in which problems were solved and issues brought to resolution. (Optional)

Deadline for RECEIPT of scholarship submittals is 11:59pm Friday, December 6, 2019. Please begin the process early and provide all requested materials by the stated deadline. Late or incomplete packages will NOT be considered. Submit completed packages to:

By e-mail (preferred): illinoisite+studentaffairs@gmail.com

By mail: Anmol Shrivastava, IL ITE Student Affairs Director
C/o Civiltech Engineering, Inc.
Two Pierce Place, Suite 1400 Itasca, IL 60143

Official class transcripts will be requested of the selected scholarship winners. Direct any questions regarding the scholarship and the application materials to the address above. Questions will also be addressed via e-mail at illinoisite+studentaffairs@gmail.com. Additional copies of the application materials are available at the Illinois ITE website at: www.ilite.org. Follow the links to the student scholarship section where the materials can be downloaded in PDF format.
The ITE Illinois Section Scholarship Award is presented annually to encourage students to consider Transportation Engineering or Transportation Planning in their studies and career aspiration, and to provide partial financial support to students who have demonstrated an interest and are likely to work in the transportation field. The Scholarship will be provided to two students in the form of $2,000 each to offset education costs. Please complete this form thoroughly and honestly as a professor of the applicant in the field of transportation engineering or transportation planning.

Rate the student on the following criteria, with 5 being the highest. Include additional detail as applicable.
