

### Fee Schedule

- Dr. Frazier is a participating provider for Tricare as well as Aetna, Anthem, Cigna, Optima, and United Healthcare commercial (non-Medicaid) health insurance plans. If you are a member of one of these insurance plans, claims will be submitted on your behalf. You will need to bring only your insurance card, and co-payment to each visit.
- Dr. Frazier is an out of network provider for all other health insurance plans. For these insurances, full payment is due at the time of service. However, a billing summary will be provided after your visit which you may submit to your insurance provider for reimbursement.
- If you have Tricare insurance, a referral is required. Other insurance plans vary in this requirement, and it is your responsibility to determine if a referral is necessary. However, to avoid lack of reimbursement, a referral is strongly recommended.

**CPT codes are provided so that you may contact your insurance company ahead of time to understand what you will be reimbursed.**

#### Initial Visit Part 1: 60-70 minutes

Service Description	CPT Codes	Self-Pay Cost (no insurance)	Participating Insurances
<ul style="list-style-type: none"> <li>• Review of past medical records, school reports, and questionnaires</li> <li>• Discussion and evaluation of concerns</li> <li>• Structured behavioral observation</li> <li>• Neurodevelopmental exam</li> <li>• Standardized developmental testing</li> </ul>	99245 or 99205 96111* 96116*	\$350 \$300 \$250 \$250	Claim will be submitted for reimbursement  Caregiver is responsible for any balance not covered by insurance**

\* The decision to use this code is made during the visit, based on a patient's need and ability to participate.

\*\* Frequent reasons for having a balance: deductible not yet being met, insurance company's lack of coverage for billable service(s).
