

SUN PRECAUTIONS

Laundry Treatment

New Rit® SUN GUARD™ added to the wash cycle adds sun protection to your everyday clothes. The Skin Cancer Foundation recommends it.
www.cibasc.com, (336) 801-2057

Adult Sun Protective Clothing

Solumbra® offers clothing items with 30+ SPF blocking UVA and UVB rays. It is a regulated medical device. The American Academy of Dermatology recognizes and recommends it.

Children Sun Protective Clothing

Second Skins™ offers clothing items and swim wear with 50 SPF. It offers your children excellent protection. After testing in extreme conditions, Awarded Cancer Association of South Africa seal of recognition.

Residential Window Film

Harmful rays travel right thru most glass. Vista window film blocks harmful rays. A Skin Cancer Foundation recommendation.
