Jim Dunn	Its funny you have helped me and because everything about you is fake and I'm sure the only person in this world you think about is you and your addicted to how you feel. I'm glad you don't give a damn, because if you did it would be a lie. I do wish good things for you and thank you for being the example of what I could have turned out like. I don't need to the details why you did it or anything. Your a narcissistic soul and when you hit your final rock bottom I hope someone is there to scrape you, up. I see people like you every day. Your nothing special but I hope you find piece or whatever. You won't hear from me again. Good luck	2018-04-09 15:30:39 (UTC+2)
	Omg you've just totally changed my life and point of view and everything! I'm so glad... Wait, no, actually not. Still don't care. And it's still funny that you keep wasting your very limited time on arguing with me	2018-04-09 16:40:49 (UTC+2)
	Moreover I don't really care what's fake and what's not...either about me nor about you	2018-04-09 16:41:45 (UTC+2)
	The only thing I hope is that i wont see you ever in my whole life so yeah piece and don't ever text me again, bye	2018-04-09 16:42:22 (UTC+2)
