Neil Diamond Brings 50th Anniversary Tour To Bendigo

Bendigo will host Neil Diamond in March next year in his only Victorian show outside of Melbourne.

The legendary songwriter and celebrated performer will bring his 50th Anniversary Tour to Sutton Grange Winery on Saturday March 31 (Easter Saturday) with tickets going on sale at 2pm on Thursday, November 16th.

The tour will celebrate Neil Diamond's incomparable 50-year career and hits spanning decades such as Cherry Cherry, Holly Holy, Cracklin' Rosie, Song Sung Blue, You Don't Bring Me Flowers, Solitary Man, Sweet Caroline, Love on the Rocks, Desiree and Shilo.

Neil Diamond has sold more than 130 million albums worldwide and has charted 37 Top 40 singles throughout his career. His universally beloved songs (as well as his charismatic and openhearted performances) continue to make him an international force both as a record-maker and a live entertainer.

Sutton Grange Winery's Jacqui Sidwell said the winery was honoured to be part of the Neil Diamond 50th Anniversary Concert Series.

"It is a great opportunity for locals and visitors to the region to celebrate at our award winning winery," Ms Sidwell said.

"We promise a unique experience within our beautiful country setting and look forward to a truly great evening."

"Being only 90 minutes from Melbourne, we hope to see many fans come to enjoy the show in a totally different environment than a stadium. We believe this unique experience will appeal to many Neil Diamond fans."

"I think we are all dreaming of a Hot August Night in March right now! Easter is a celebrated time in the here in Bendigo and the Neil Diamond concert will add another great highlight to the festival in the region."

City of Greater Bendigo Mayor Cr Margaret O'Rourke said hosting Neil Diamond was a coup for Bendigo.

"Bendigo hosts so many widely regarded events that appeal to our residents and to visitors," Cr O'Rourke said.

"In 2018, we are hosting the inaugural Regional Centre For Culture and we have White Night coming to Bendigo in September.

“Neil Diamond’s 50th Anniversary Tour is another great event for our community to enjoy and cements Bendigo’s position as a destination for the arts, culture and events.”

Tickets will be available through Ticketek at www.ticketek.com.au.
