

United Way's Tools for School program distributes school kits in four standardized grade categories, each with a list of required school supplies compatible with participating school divisions. In the 2017/2018 school year over 13,000 school kits with a fair market value of more than \$755,000 were distributed to students in the Alberta Capital Region.

Program approved supply lists

- * To ensure students are not identified as accessing the program we ask that no company logos appear on donated items.
- * All donations must be new or unused.
