## IZAKAYA

A Tokyo original since 2003, AFURI aspires to make the best, authentically crafted Japanese cuisine you've ever tasted, while building community and sharing our culture with the world. In the same way our signature yuzu shio ramen brightens the spirit with its refreshing citrus flavor, we aim to bring joy and happiness to everyone we meet. AFURI is born of the belief that a good bowl of ramen does more than just satisfy your appetite—it has the power to warm the soul and bring us all closer together.

### TAKAMIE より高みへ OUR GUIDING PRINCIPLE

Takamie is what drives us and keeps us improving. It's this idea of pushing ourselves to reach higher, constantly looking inward to see how we can be better than the day before for our communities and customers. At AFURI, we look to takamie as we listen, learn and grow. Little by little, bowl by bowl. Always higher.
