

PACIE Annual Conference 2017

October 5-7, 2017
Harrisburg, PA

In collaboration with the Pennsylvania State
Modern Languages Association (PSMLA)

Pre-Conference Workshop: Global Competence, K-20

In conjunction with the PACIE 2017 Annual Conference, we are offering a pre-conference workshop: A Global Competence Curriculum Framework.

Join us in vetting PACIE's newly drafted Curriculum Framework and assist with populating the Standards Aligned System (SAS) portal with valuable global competence resources. The Curriculum Framework is designed to identify the long-term transfer goals, big ideas, and essential questions to frame instruction across the curriculum. Providing resources in SAS will assist educators in integrating global competence into their respective classrooms.

This workshop will be highly interactive, and attendees will be expected to provide critical feedback on the framework and submit resources for integration into the SAS portal. It is open to conference attendees and non-attendees alike.

Thursday Oct. 5, 2017 • 1:00-5:00pm
Holiday Inn - Harrisburg/Hershey

Pennsylvania Council for International Education
