PACIE is the leading authority and advocate for global education in Pennsylvania

A mini-grant is available for Spring 2019 to support K-12 individual educators or educational teams in developing a unit plan to integrate content related to global education into content area instruction to ensure that Pennsylvania graduates are prepared for life and work in a global economy.

Purpose:

• Build capacity of schools to educate students who demonstrate global competence.

• Increase educator awareness of tools available to support global education across content areas.

• Expand instructional resources available to implement the Curriculum Framework for Global Competence (https://www.pdesas.org/CMap/CFramework)

Requirements:

1. DEVELOP
   A unit plan to address 1+ competencies from the Global Competence Curriculum Framework

2. PRESENT
   Share a summary of the unit plan and data at the PACIE Fall 2019 Conference

3. SUBMIT
   The unit plan, student data, reflections on implementation
