Course of 6 peels include complimentary SkinCeuticals Ultimate UV Defence SPF 30 RRP \$69

New York Facial (1 hr)

\$200

Improve texture and skin tone with SkinCeuticals signature New York Facial. Combining a microdermabrasion technique with an enzyme peel and mask this incredible treatment offers brilliant results on fine lines and wrinkles, sun-damage, acne and scar tissue, enlarged pores and pigmentation. Your skin will be glowing so this is the ideal treatment in the lead up to a special occasion. Minimal downtime max results.

Collagen Induction Therapy (Skin Needling)

\$300

full face and neck

Collagen Induction Therapy is a skin rejuvenation treatment that utilises the bodies ability to heal itself for stimulating collagen and elastin production to tighten, lift and rejuvenate the skin. Visibly improve fine lines and wrinkles, acne scarring, open pores, pigmentation, stretch marks and more.

Purchase 3 treatments to receive 5% discount.

Mesoéclat

\$1200

The Mesoéclat system is a powerful skin rejuvenation program consisting of 5 treatments at intervals of 10-14 days. Expected results include: increased luminosity and brightness, reduction of fine lines & wrinkles, a decrease in skin imperfections and more even skin tone.

Aclelan

\$1200

The Aclelan system is an advanced acne treatment program designed to free your skin from the stress of acne. A course of 3 treatments inclusive of homecare products to achieve optimal results. Book in for your complimentary consultation today to see if Aclelan is the right treatment for you.
