

**2017  
Josh Piver  
College Scholarship Application  
\$1,500**

Joshua Piver graduated from Stonington High School with the class of 1996. He was born and raised in Stonington and had a passion for soccer. Josh was the varsity soccer goalie in his senior year. He enjoyed skiing and working at Dodson's Boat Yard. Josh pursued his life goals at the University of Vermont where he graduated in 2000 with a B.A. in economics and environmental studies. He loved his job working at Cantor Fitzgerald on floor 105 of the World Trade Center. In 2001, in New York City, he died in the tragedy of September 11th.

Josh was a charismatic, compassionate, conscientious young man. He was well respected by both the young and the old. He made his friends laugh with his quiet sense of humor, but was serious about his athletics and learning. This fine American's life was cut short; a tragedy not only to his family and friends but to our culture. This scholarship is given in the memory of this exemplar American citizen.
