Boca Helping Hands

June 23, 2017

9:00 am - 1:00 pm

1500 NW 1st Court, Boca Raton

Boca Helping Hands is a wonderful, caring organization that provides food and emergency assistance to meet basic human needs and long-term solutions to break the cycle of dependence.

Depending on where we are needed that day, we may be helping in the Kitchen, Food Center, or Warehouse.

What to wear: Wear comfortable casual clothes (suggest bringing a sweatshirt for working in the warehouse) closed toed shoes, and baseball hat in case we are needed to serve lunch.

Parking: Parking is across the street at the Annex building and is very limited. If you get there close to 9:00am you probably will not find a place to park.

Carpooling: Meet Belinda at the Barnes and Noble parking lot, just east of I-95 on Glades Road at 8:30am.
