Clear the leaves in the Klingle Road bike track

Resolved, that ANC1D advises the Department of Public Works to make keeping the Klingle Road bike track free of leaves a high priority.

Why: while autumn leaves elsewhere are generally only a nuisance, the piles of leaves collecting in the Klingle Road bike track, between Adams Mill Road and Rock Creek Park, are a significant safety hazard to bicyclists attempting to access the Rock Creek Park bike path. The bike track has lately been rendered impassable to bicyclists by the leaves, forcing them out into the traffic lane, where automobiles tend to move at speed, due to the limited-access nature of this portion of Klingle Road.

Passed by 5 to 0 vote at the legally noticed, public meeting of ANC1D on December 19, 2017, with a quorum present. Voting "yes": Commissioners Karaffa, Romero-Latin, Stewart, Karrer, McKay. A quorum for this commission is three; five commissioners were present.
