EXPERIENCE

- 2017 ● **UX Designer - Scripps Interactive Networks** Knoxville, TN
Design enterprise software within an agile environment to ensure timely delivery of content produced by Food Network, HGTV, Travel Channel, etc. to our partners like Hulu, iTunes, Comcast and DirectTV. Conduct user research, build prototypes for conceptual testing and produce UI design for our applications.
- 2016 ● **UX Designer - DESIGNATION** Chicago, IL
Designed mobile and web apps using the design thinking process and Google's design sprint methodology for clients including Privity, a web-based research and collaboration tool built for new attorneys and Vitrima, the first 3D lens kit for GoPro cameras. For these clients we applied UX solutions including:
- Conducted user research, competitive analysis, affinity mapping and surveys for domain research.
 - Built platform information architecture, designed low and mid-fidelity wireframes, conducted multiple rounds of user testing with Invision and Axure prototypes while iterating and improving upon the concepts and designs.
 - Synthesized research to create task flows, user personas and wireframes based on qualitative data.
- 2012-16 ● **Operations Manager - Novovino Wine Co.** Chicago, IL
Managed day-to-day operations of a competitive wine importing business, handling the logistics of bringing over 700 wine labels from all over the world to consumers in Chicago. Maintained accounts receivable/payable and inventory using QuickBooks and redesigned the company's website, logo, business cards and marketing materials.
- 2011-12 ● **Account Manager - Alarm Press** Chicago, IL
Developed new business and generated advertising to ensure the success of the publication. Conducted editorial research and worked with publisher of the magazine to develop content that inspires innovative design. Led initial interviews with featured designers to determine the direction for the article.
- 2009-11 ● **Media Manager - Institute of Food Technologists** Chicago, IL
Played a key role within the public relations team of this association for food science professionals to increase visibility of the organization and the work of its members. Drafted and distributed monthly newsletters and press releases to national and international news outlets to raise awareness of the brand.
- 2008-09 ● **Public Relations Manager - The Printed Blog** Chicago, IL
Spearheaded international exposure for this media start-up in outlets such as The New York Times, NPR, Wired.com, Time Magazine and The Chicago Tribune.
- 2008 ● **Marketing Specialist - Foley & Lardner LLP** Chicago, IL
Collaborated with attorneys, professional staff and external consultants to plan and implement events for the law firm. Coordinated, developed and assembled marketing collateral for use in educational presentations, new client proposals.
- 2005-06 ● **Marketing Assistant - KSB Bank & Trust** Keokuk, IA
Responsible for writing press releases and designing marketing materials. Participated in developing award-winning customer retention marketing campaign for new bank branch.
