- we compost our organic restaurant waste to use next year on the farm

- we provide bicycle racks to encourage in-town bike travel

- we promote the honeybee population by planting fields of wildflowers (which we also use for our table decor!)

- we do our best to grow what we eat! what we can't grow in the summer season we're committed to purchasing locally from our farmer friends whenever possible

- we believe in community over competition! we are proud to support other local businesses when we are out and about

ITEMS OF NOTE :

PLEASE NO AMEX, SUBSTITUTIONS, PARTIES LARGER THAN 8, OR GENERAL GRUMPINESS. WE ARE ADEPT AT CREATING A MAGICAL EXPERIENCE FOR YOU; SIT BACK, RELAX, AND ENJOY! YOU'RE IN GOOD HANDS.
