

# everyone

needs a foundation to build a future.

## Corporate Build Days

Corporate Build Days offer you and your company an opportunity to:

- Engage employees in a unique and a rewarding team-building experience
- Make a life-changing difference for families seeking affordable housing through a meaningful day of service and donation
- Increase employee satisfaction and morale
- Help employees develop leadership and homebuilding skills
- Enhance corporate image and increase brand awareness (your philanthropy will be showcased on the HFHDUC Facebook page, annual report, and monthly newsletter).

### Scheduling a Corporate Build Day

Corporate Build Days are typically held on **Wednesdays from 8:30am-2:30pm**, but we are able to accommodate a different day if necessary. We encourage you to have **up to ten** employees participate on your Build Day. Habitat for Humanity of Delaware & Union Counties will provide a skilled construction supervisor to lead your team.

To schedule a Corporate Build Day, contact:  
**Linda Warren, Volunteer Coordinator**  
(740) 363-9950 ext. 222  
volunteer@HabitatDelawareUnion.org

### Preparing for Build Days

We ask that companies we host for Corporate Build Days make a tax-deductible donation of at least \$1,000 per day to Habitat for Humanity of Delaware & Union Counties.

Your contribution and Build Day will help make the dream of homeownership a reality for a qualified family.

### Our Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.
