Welcome to Suffolk Owl Sanctuary and Nature Centre - we hope you enjoy your visit with us.

For your safety during these difficult times we have completed the official ‘Visit England’ Risk Assessment and have been accredited ‘Good To Go’ status for the measures we have installed to ensure that your visit is safe and stress free.

These include regulating the number of visitors with timed admissions to avoid overcrowding and congestion, respectful reminders to observe social distancing within the centre and the location of sanitising stations throughout for your convenience.

Key staff will wear visors or masks during close contact with you.

We regret you may find some enclosed areas and play areas off limits at present to avoid congestion. We are also using a quick, no-contact forehead thermometer to check the temperature of all visitors and have asked potential visitors who are concerned they may have, or have recently been in contact with others who may have Covid-19 symptoms, to visit us another time.

We realise that such measures may seem restrictive and intrusive and apologise for any disappointment or inconvenience caused to your visit but hope you will accept we have instigated them for your safety and well being. Thank you for visiting us, and enjoy your day.

The Fox’s Lair
Make time to visit our new guests - a beautiful pair of young silver mix fox cubs!

PHOTO DAYS at S.O.S. 2020
