As the parent/guardian of a Global Impact student, I understand that throughout the school year, Global Impact STEM Academy plans to take advantage of many off-campus day trips. I hereby give permission for my child to participate in any and all of the various trips, field studies, and opportunities that arise throughout the year at Global Impact STEM Academy.

I acknowledge that it is my responsibility as the parent/guardian of this student to evaluate carefully the risks inherent in participation in any field study. I have fully considered those risks, including but not limited to dangers posed by willful or negligent conduct by the student and/or others. I understand and agree that during the course of this field study supervision of the students will be provided.
