NURTURES SPIRITUALITY

EMBRACES DIVERSITY

The Trinity Fund is our “AND”

It's only three letters long, but "and" carries a lot of weight. It connects. It links. It unites. For a community-building school such as Trinity, "and" is an important word. The Trinity Fund helps to make “and” possible by bringing Trinity families together around the mission of filling classrooms with children from all walks of life, and equipping teachers with the skills and knowledge that help enrich their students’ Trinity experience.

This report is a chance to celebrate AND thank each of you for your part in bringing our “and” to life.

WHAT IS THE TRINITY FUND?

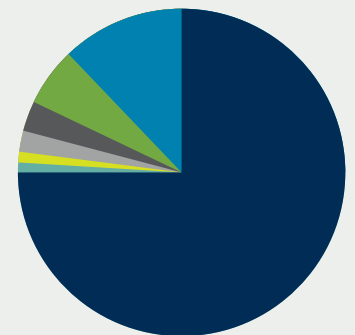

The Trinity Fund is an annual fundraising campaign for Trinity Episcopal School. Annual funds typically bring to mind school expenses— operations, facilities, equipment. Yet, like so many things at Trinity, our annual fund looks a bit different. **While it still invests in things that are essential to our community, what we have considered essential for over 20 years IS OUR PEOPLE.** The Trinity Fund invests in our students through an ever-growing financial support program, **AND** in our faculty and staff through ongoing professional development to grow as employees and as human beings.

WHO IS A PART OF THE TRINITY FUND?

Who Supports the Fund?

Percentage of the 2020-21 Trinity Fund total donated by various constituencies

- Parents: 76%
- Trustees: 22%
- Alumni Parents: 12%
- Faculty/Staff: 4%
- Grandparents: 3%
- Alumni: 1%
- Other Community Members: 1%

**Total is more than 100%, as some constituents are in multiple groups (For instance, a current parent may also be a faculty/staff member or trustee.)*

In 2020-21, 503 donors contributed to the Trinity Fund.

IT TOOK EACH AND EVERY ONE OF THEM TO MAKE THE DIFFERENCE.

It takes a \$10,000 gift **AND** a \$10 one. It takes faculty, staff **AND** parents (**AND** grandparents **AND** alumni **AND** Trustees **AND** community members) all coming together in support of our mission.

The uncertainty the country faced in August 2020 as Trinity students and teachers returned to campus for the first time in five months can't be overstated. Against the backdrop of a global pandemic, economic volatility and social and political tensions, Trinity began a school year wondering how to handle day-to-day life at school and what would happen to beloved school traditions.

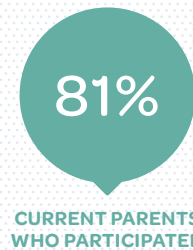

One thing remained certain in those uncertain days: Trinity's mission would not waver. That commitment, though, carried unforeseen expenses and more than a few challenges, from making adjustments on campus for social distancing to providing emergency financial support to Trinity families. So raising \$600,000 for the Trinity Fund seemed like an audacious goal.

But just as Trinity remained dedicated to its mission, our community was committed to Trinity. With the help of two generous match challenges, Trinity parents ensured that not only would the school make it through this chapter in its history, but we would grow as well.

BY THE NUMBERS

IN THE 2020 - 2021 SCHOOL YEAR:

\$2,000,000+
GIVEN IN FINANCIAL SUPPORT
IN THE 2020-21 SCHOOL YEAR
TO 130+ STUDENTS

At Trinity, Financial Support doesn't just mean tuition.

These funds help Trinity families with tuition costs **AND** things like uniforms, supplies, counseling, tutoring and other support to ensure a successful school experience.

“The Trinity Fund makes it possible for our three very different kids to be together in a place that works for all of them. They don't have to leave any part of themselves at the school door. Having the financial support to send my children to a place where they can be 100% of who they are for 100% of their day is a gift to our family.”

Kirsten Aymer

*Trinity parent 2016 - present
Hank (Gr. 6), Pollyanna (Gr. 3), Alma (Gr.1)*

“That’s what happens when a community believes in your children. They wouldn’t be where they are today if not for Trinity’s support- financial and otherwise.”

Falinda Farley

*Trinity parent 2004 - 2007
addressing two of her sons and
former Trinity Students,
Matthias Farley (Tennessee Titans),
Silas Farley (formerly with NYC Ballet)*

“The Trinity Fund touches every single member of Trinity Episcopal School, which is why it is so important for every person or family to give. Even as recipients of Trinity Fund donations through financial support, our family gives so the teachers can participate in Professional Development to further their education allowing them to put it to use in our children's classrooms.”

PROFESSIONAL DEVELOPMENT

Life-long learning and curiosity about the world around us are important qualities in Trinity students - and our teachers. The Trinity Fund gives teachers the opportunity to participate in professional development to continue learning and growing as educators, whether they are new to the field or are veterans in the classroom.

That development took on new importance for Trinity last year as our community responded to the pandemic and the national reflection on race and diversity. Teachers sought out courses and seminars to learn the skills and language needed to address these areas, particularly around race and how education can respond to the moment. A cohort of teachers participated in the **National Diversity Practitioners Institute**, deepening their understanding of equitable and inclusive school communities. Another group attended the “**What Does It Mean to Be White?**” course developed by 2021 Freedom Fete speaker, the Rev. Ben Boswell. There was also a course that looked at American history through a new lens, one that reexamined the Black experience in the United States and how we teach it.

“

The “**What Does It Mean to Be White?**” course was incredibly valuable to me as a Latina immigrant. I learned more about the history of this wonderful country - a history that has been written and told by people who don’t truly know the story of America and who have not lived the same experience as others. As was mentioned in one of the sessions, if you do not know the story of Black America, you do not know the story of America. I learned many valuable lessons as a teacher, as a woman and as a human.

Sandra Sempritt

K-5 Spanish teacher

This Impact Report is a window into the classrooms and lives of Trinity families that have been transformed through your generous giving to the Trinity Fund. You are an important part of the Trinity community of students, faculty **AND** staff, parents **AND** donors.

It was you.

In one of our most historic years yet, you made a difference that will carry forward for years to come.

You made the difference in one of our most historic years yet. Thank you.
