Some friends of Superchief put together an art auction to raise money for [Occupy Sandy](#), the autonomous group that's been garnering money, supplies and labor better than the government since the storm. It's at the China Chalet (47 Broadway) this Saturday, and there's a party from 11:00-3:00 right afterwards.

Some of the bigger names on the show include [Brendan Lynch](#), [Dean Levin](#), [Jemima Kirke](#) (from *Girls*), [Dustin Yellin](#), [Shelby Jackson](#), [Gabby Tillman](#) and [Jacky Connolly](#).
