

***Visit Roaring Camp Mining Company
in the heart of the California Mother Lode Country***

<https://roaringcampgold.com/>

NEW DATE - Event has been moved up to - SATURDAY, MAY 20th

MEETING TIME & PLACE: 3:00 pm at the “Old Sloughouse Inn”, now called the Meadowlands Restaurant. Jerry Garner will lead you up to Pine Grove.

From there, Dennis Bentley will lead to the Roaring Camp office where we will leave our cars and load into flatbed trucks for the ride into the Canyon where the Gold Mine is located. The trucks have bench seating and the place where we leave our cars is fenced in.

We will have time to pan for gold (pans are provided) and you should know that this is a working gold mine. So, you may be lucky and find a nugget. There is lots to see so wear your comfortable shoes. Bring a warm jacket and/or blanket for the return trip.

It's **important that you call Roaring Camp** to reserve your place on the truck and for dinner. Call: (209) 296-4100 and mention that you're with the Sacramento Jaguar Club. The cost is \$50.00 per person, so they will want a credit card.

The BBQ dinner includes tri-tip, corn on the cob, salad, & Indian fry bread. There is a bar at the BBQ area. (Bring cash) After dinner, you'll hear stories of how the mining company started told by the son of the founder.

You may want to reserve a room at a local hotel/motel if night driving is not your thing.

PLEASE RSVP to Jerry Garner at gwg369@comcast.net
