

INDUSTRY EXPERIENCE

Sharon Pannell is one of the first additions to BlackPine Holdings Inc., which served as the business services team for National EWP, Inc., until it was eventually absorbed into National EWP, Inc. Throughout the evolution and growth of BlackPine Holdings and National; Sharon has been on the front end of all the growth and changes. Prior to joining National's team Sharon had 22 years of managerial experience in a variety of fields including retail, where she spent 11 years either opening new stores for a national big box retail chain, or tripling the growth and revenue of a local franchise. She has an additional administrative background through running her own transaction coordinating business locally within a nation-wide brokerage and a sales experience covered both in her retail and real estate background. This wide variety of experience has made her a good fit for the fast pace growth of National. Her understanding of the history of the company and its people, policies, and procedures has made her an invaluable asset. Sharon's vast skill set covers everything from policy writing and program implementation to contract, property and lease management, to executive leadership and administration. Sharon is highly organized and efficient, with the ability to manage and track a project from inception to implementation, all while providing support to others and adapting to a continually changing business and market.
