

INDUSTRY EXPERIENCE

Dennis Moye has been in the drilling industry since 2006. Dennis brings a strong amount of both operational and safety knowledge to National EWP, Inc. Dennis previously worked for large drilling companies and drill sites, specifically Major Drilling and Barrick where he worked his way from a Driller’s Assistant to Trainer and up to Safety Manager. Dennis’ in depth knowledge of safety procedures and training from his time in the United States Army, Barrick and Major are a huge asset to National EWP, Inc. and it’s Safety Program.
