

# HELLO.

LET'S MAKE DINNER TOGETHER

MIDA COOKING CLASSES

# MIDA IS AN INSPIRED NEIGHBORHOOD RESTAURANT

Located in Boston's South End, we offer an Italian influenced menu from Chef/Owner Douglass Williams.

We believe that food should be simple and supremely delicious and that group dinners should be approachable so everyone can join in, have fun, and feel relaxed around the table.

Cooking with you is our favorite kind of cooking. So, shall we share a meal?

# LET'S COOK. AND TALK. AND SHARE.

There's no better way to expand your cooking horizons and fill your belly than learning to roll your own pasta.

And, there's no other restaurant in the city that offers a fully interactive cooking class taught by chef/owner of the restaurant,

Prior to opening MIDA, Chef Douglass Williams owned and operated an in-home cooking class company, Culinary Breakdown. So, with years of experience and a passion for educating, we are excited to carry that over and offer a unique and interactive cooking class at MIDA, meant for cooks and amateurs alike and intended to inspire, motivate and build confidence in the kitchen or even just an opportunity to roll up your sleeves and have a little fun.

Learn how to select and prepare the highest quality ingredients that go in to making all of the MIDA favorites. We also accept special requests if there is something the group is eager to learn.
