## STUDENT TRAVEL RELEASE

Louisiana State University makes every effort to have a coach or other personnel from the Athletic Department travel with student-athletes when they must participate in their sport at competition sites away from the Baton Rouge Campus. However, there are times due to the nature of the sport in which your son or daughter participates, when he/she will need to travel on his/her own either to or from a competition site or both and they will be unaccompanied by a coach or other personnel from the Athletic Department. This usually occurs when there is a qualifying competition or there are staggered start dates and times in individual sports dictated by the competition site, the NCAA or the SEC.

When it is necessary for the student-athlete to travel unaccompanied by a coach or other personnel from the Athletic Department, LSU will attempt to arrange the most expeditious method of travel and will provide transportation to and from the airport.

By signing below, you acknowledge that on occasion it may be necessary for your son/daughter to travel unaccompanied by a coach or other personnel from the Athletic Department and hereby grant permission for your son/daughter to travel alone or unaccompanied by anyone from the Athletic Department.

If you have any questions or concerns or would like more information, please contact Miriam Segar, Senior Woman Administrator, at 225-578-5785 or via e-mail at [msegar@lsu.edu](mailto:msegar@lsu.edu).

***By signing below, I understand and acknowledge that I am relieving and releasing LSU from any and all liability that may result from my son's/daughter's personal travel and/or safety while traveling alone.***
