Attorney David Gibbs III, president and chief legal counsel for the National Center for Life and Liberty, is an internationally known constitutional attorney who has been fighting for life and liberty on a multitude of fronts for over 20 years. A masterful trial litigator, Attorney Gibbs defends and protects the religious and free speech rights of ordinary citizens. He conducts powerful legal seminars every year designed to assist churches and other non-profit ministries to understand the ins and outs of the most important and pressing legal issues facing them today. He fights to protect the sanctity of life from conception to natural death and the religious freedom rights of those who believe in traditional, God-ordained marriage. He also introduces legislation in Congress designed not just to stem the tide of anti-Christian discrimination, but to promote and protect the values upon which our nation was founded. Mr. Gibbs' life verse is Matt. 25:40 - "In as much as ye have done it unto one of the least of these, my brethren, ye have done it unto me."
