If money was not a concern what would you do every day if you didn't work?

What is your favourite piece of technology?

Check out Matthew 8:5-13. The faith of the Centurion was significant, and took Jesus by surprise. The Centurion recognised the power of God's spoken word – and had the revelation that Jesus had authority through his spoken word! This was the first time we see Jesus healing some-one without the laying on of hands – a breakthrough moment of faith!

Consider **Genesis 1:1-3.** God spoke and the world came into being. All things are held together by God's word! How would you describe the place of God's word in your own life? Is the Word of God alive and active in you? Do you have a repertoire of God's word to draw on?

How do you think you can strengthen the role of God's Word in your life? What are some practical steps you could begin to do tomorrow?

Check out the story of the woman healed from bleeding – **Luke 8:44-48.** This woman risked everything to touch the garment of Jesus – due to her condition she was considered unclean, and to be out in public amongst a crowd was to risk being stoned! She was prepared to risk everything to touch Jesus! How desperate are you for an encounter with Jesus? What are you prepared to risk to see healing in your own life? What about healing for others?

Peter, an apostle of Jesus, was also involved in seeing healing miracles take place – the Holy Spirit didn't stop working when Jesus went back to heaven – He is here with us today and wants to work through us as well! Check out one of Peter's stories in Acts 5:15-16. People were healed by the shadow of Peter touching them! What do you think would have been significant about Peter's shadow? Why do you think people were healed by touching his shadow?

Our "spiritual shadow" reflects the state of our heart. The things that we put in (through the things we watch or listen to) define who we are. What is the state of your "spiritual shadow"? Are you feeding your heart and mind on good food, or do you need to adjust in an area – and get rid of anything that might be holding you back or watering down what God is wanting to do in your life?

Have you had a time when you believed God for a miracle of healing, and were disappointed? Have you once had faith for miracles, but been discouraged? Spend some time praying for one another through these disappointments, and ask God to bring His peace to your situation, and for a renewal of your faith.

PRAYER

Pray for limitless faith – that we would be willing to do whatever it takes to encounter Jesus!

Pray for one another in the face of any disappointments – ask God to bring his healing and restoration of your faith.
