Rocket lab has just sent a “humanity star” into space. SpaceX has sent a Telsar Roadstar (car) into space. What would you send into space if you could – and why?

If you were stranded on a desert island, what three things would you want to have with you?

Proverbs 29:18 - “Where there is no vision (revelation), the people perish (throw off restraint).”

What do you think this verse is saying about vision? Why do you think vision is important?

Come up with a definition for “vision” in your group:

What is your personal vision for the future?

Think about these three statements about vision:

1. A vision for life will bring FOCUS! This means we are not swayed, or running around in circles exhausting ourselves.
2. A vision for life will bring ENDURANCE! The ability to go through the hard stuff – and to persevere in the face of difficulty
3. A vision for life will bring FULFILLMENT! Only God can set us on fire and give our life true meaning.

Have you experienced focus, endurance and fulfilment? If so – what have been some keys for you? If not, what do you think could be holding you back?

Check out **Psalm 139:16** and **Ephesians 1:11**. Where do you think vision comes from?

I HAVE DECIDED TO FIND MY PURPOSE IN 2018! What do you think this will look like in a practical sense in your day to day life?

Check out **Romans 12:2** and **Proverbs 4:25-27**. What do you need to STOP doing? Be accountable to one another and accept God's forgiveness and grace! Allow God's word to speak to you and be surrendered to what it says.

Check out **James 4:17** and **Matthew 6:34**. What do you need to START doing?

Moses had a shepherd's staff in his hand – it was an ordinary stick – until God entered the equation – and Moses used his staff when performing many miracles. What is in your hand? What could this look like when surrendered to God and filled with His power?

PRAYER

Pray and ask God to sharpen and strengthen your vision

Pray for one another in areas of accountability (help to stop doing what we shouldn't, and courage to do what we should).
