CONNECT QUESTIONS

If you were to be the prime minister for a day, which law would you change or create and why?

Share the funniest joke you know and see if who can make the group laugh the most 😊

Check out **1 Samuel 3:1-11 and 19-20**. Read the story aloud in your group.

Samuel heard God's voice but didn't realize it was God speaking to him. Once he realized it was God he had an amazing response – what is your response to God's voice?

God was talking to Samuel even though at the beginning Samuel wasn't responding. The question should not be "Is God speaking?" but rather "Am I listening?" Are you listening to God? How do you intentionally tune in to hear God speak to you?

Check out **Isaiah 66:2**. What does this verse speak to you about the voice of God? When was the last time the Word of God made you tremble?

If you are having trouble hearing God's voice – read His voice! The Bible is God's word to us, and every verse speaks His voice. What are you currently reading in the Bible – what has God been saying to you through His word?

We should value God’s voice above all else – sometimes we may be asking God to speak louder or we spend time trying to figure out what God might be saying – what we really need to do is turn down everything else. How would you describe the busyness of your life – do you have space or time where you can be quiet?

Bread is a great analogy to use when thinking about hearing from God. Bread uses the same recipe – however fresh is best! There is nothing like freshly baked bread – far better than a dry stale loaf that has been sitting around for days on end! We shouldn’t be surviving on something that God spoke to us a week, a month or a year ago – we need to keep going back for fresh bread! How can you guard against going stale?

If you feel like you are not as close to God as you once were – guess who has moved (clue: it wasn’t God!). If you have been struggling with hearing from God, what was the thing that he last asked you to do? Have you done it? Oftentimes God asks us to do things that may be outside our comfort zones! When was the last time you stepped out of your comfort zone to obey God’s word?

Check out **John 14:15**, **John 14:23**, **1 John 5:3** and **2 John 1:16**. What stands out to you from these verses? What do you need to change this week to ensure you are obeying God’s word?

PRAYER

Pray and thank God for His Word, and for his desire to speak to us daily

Pray for one another for clarity in hearing God’s voice

Take some time to pray prophetically for each other – and ask God to speak to you with a word for each member of your group (this is something you could be doing each week – choosing 2-3 members each week through this series).
