

Each club or group or school participating in Maleny Supa IGA Community Benefit Club is required to nominate the person/s authorised to activate fund redemptions.

We would like to ensure that no unauthorised access is made on the funds that you have pledged to you through our Community Benefits Club program.

In order to assist us in making this money secure, we would like the authorised representative from your group to fill in the following information and to send it to our Group Office.

We will keep this information on file and will use it to validate any request for redemption of funds that may come from your group.

We need the name of the person or persons authorised to activate fund redemptions; their contact details and a signature if possible.

We would also like the relevant banking details including BSB No. Account No. and Account Name for Head Office to hold on file.

This information will not be used for any purpose other than the one outlined above and will be securely stored.

Club/Group/School

Name: _____

Name of authorised representative/s	Contact number 1.	Contact number 2.	Signature

Bank Account Name:	BSB Number:	Account Number:
