

Jim Logan

Managing Director, Central Indiana

Experience

Jim Logan joined Bradley Company as the Director of Property Management in November of 2015. With a commercial real estate career spanning more than 30 years, Logan brings a wealth of experience in property management and excels in sales, operations and leadership. He works in the Indianapolis office where he focuses on growth and operations of the market.

Prior to joining Bradley Company, Jim worked with Colliers International where he was Senior Vice President / Principal. While there, he developed and implemented a plan to start up a Property Management Division of Resource Commercial Real Estate. Jim's past work experience also includes serving as Vice President of Property Management for Paragon Companies, LLC, and as well as 22 years as Executive Vice President with REI Real Estate, LLC, in Carmel, Indiana.

Jim earned his undergraduate degree in psychology from Marian University and his Masters Degree in industrial organization psychology from Purdue University. He is also a licensed broker in the state of Indiana and a Certified Property Manager.
