

Tom Deitche, CPM

Managing Director, Northeast Indiana

Experience

Tom specializes in both commercial property and multifamily property management. He has been with Bradley Company since 2011 in a leadership role within the commercial property management division in Fort Wayne and began leading that office in spring, 2016. Tom carries over 30 years of experience and expertise in property management, lease administration, asset management, investment analysis, construction coordination and project management. Tom has worked closely with banks, private companies, individuals and large Real Estate Investment Trusts (REITs) managing their property assets to bring about the highest possible returns.

As Director of Property Management with Bradley Company, Tom oversees all property management operations out of the Fort Wayne Office. The Fort Wayne Office portfolio consists of over 3.2 million square feet of managed space spread out over 3 states and 18 cities.

With a portfolio of this size, Tom supervises over 40 key personnel consisting of Property Managers, Property Administrators, Facility Director, Maintenance Personnel, Cashiers and Janitorial staff. Known as the Bradley Team, each member is dedicated to delivering quality services with integrity through innovation and diligence.
