

2021 Donor Honor Roll

Here at the Food Pantry, we work to ensure that everyone who calls this community home has access to food every single day. Our efforts would be nothing without the support of the generous supporters listed below. **Together**, we put life-giving food on the table for **3,480 of our neighbors** in 2021. Some gifts were designated towards our building campaign, while others directly supported our many food assistance programs. Either way, your giving made a huge impact and will play a vital role in building a stronger Coralville community for years to come.
